INTRODUCTION:
VISION AND MISSION

Legacy Launch 2026 is a premier networking and reconnect event organized by Softdesk. The event is designed to bring together alumni, students, professionals, and industry leaders under one platform to celebrate achievements, share experiences, and build meaningful connections.

Legacy Launch is not just an event, it is a movement to strengthen the Software community and create future opportunities through collaboration and innovation.

EVENT OVERVIEW

We've curated a multi-dimensional experience that balances technical deep dives with actual human connection. Here's what's on the agenda:

- **Keynote Speakers**: Insights from distinguished alumni regarding their professional journeys.
- **Panel Talks:** Discussions on emerging trends and the modern technological landscape.
- **Networking Forum:** A dedicated space to build professional circles and secure mentorship.
- **Tech Talks:** High-intensity sessions focusing on the pillars of modern technology.
- **Lunch and Refreshments**: A formal sit-down meal designed to facilitate professional ice breaking.

CORE OBJECTIVES

The primary goal of Legacy Launch is to empower participants to become high-impact players in the tech space:

- Professional Maturity: Developing comfort in high-stakes professional environments.
- Career Innovation: Identifying unconventional and emerging career paths.
- Social Capital: Mastering the art of networking and professional etiquette within the UET Taxila ecosystem.

TARGET AUDIENCE

Legacy Launch 2026 is designed for a dual-audience demographic:

- UET Taxila Alumni: Professionals returning to their alma mater to provide mentorship and industry insights.

- Undergraduate Students: Students from all engineering and technology backgrounds eager to understand market realities.

Logistics and The Timeline

Venue: MP Hall, UET Taxila Campus.

Date and Time: 14 April, 2026

Formal Lunch: The core of the event, where meaningful engagement occurs over shared meals.

Professional Standards

To maintain the SOFTDESK standard of excellence, all participants must adhere to the following:

•Decorum and Respect: Maintain professional conduct and mutual respect between students and alumni.

•Strategic Preparation: Prepare a brief introduction and thoughtful questions for industry experts.

•Active Engagement: Participate actively in Q&A with relevant, well-researched questions.

•Punctuality: Be seated 15 minutes before the opening ceremony to respect speakers' schedules.

Organizing Committee

This experience is managed by the SOFTDESK team to ensure seamless execution and professional value:

Event Lead: Ms. Shaista Aben e Azar
